2.3 Every member must uphold the constitution and comply with these bylaws.

2.4 A member ceases to be a member of the Association:

5.1

- (1) The directors may exercise all the powers and do all the acts and things that the Association may exercise and do, and that are not by these bylaws or by statute or otherwise lawfully directed or required to be exercised or done by the Association in a general meeting, but subject, nevertheless, to:
 - (a) all laws affecting the Association;
 - (b) these bylaws; and
 - (c) rules, not being inconsistent with these bylaws, that are made from time to time by the Association in a general meeting.
- (2) A rule made by the Association in a general meeting does not invalidate a prior act of the directors that would have been valid if that rule had not been made.

5.2

- (1) The Association shall have a president, vice president, secretary, treasurer and such other officers as the directors shall appoint, all of whom must be directors and who shall be appointed by the directors. The offices of secretary and treasurer may be held by one person who shall be known as the secretary-treasurer.
- (2) Any member (and in the case of a member which is a corporation, strata corporation or housing cooperative, its authorized representative, strata council member or director respectively) in good standing is eligible for election or appointment as a director. An attendance of at least half (50%) of all annually held meetings is required to maintain good standing and therefore eligibility as an appointed director.

- (3) The number of directors must be not less than three nor more than five unless a greater number is determined from time to time at a general meeting.

5.3

- (1) The directors must retire from office at each annual general meeting when their successors are elected.

5.7 A director must not be remunerated for being or acting as a director but a director must be reimbursed for all expenses necessarily and reasonably incurred by the director while engaged in the affairs of the Association.

Part 6 - Proceedings of Directors

6.1

- (1) The directors may meet at the places they think fit to conduct business, adjourn and otherwise regulate their meetings and proceedings, as they see fit.

- (2) The directors may from time to time set the quorum necessary to conduct business, and unless so set the quorum is a majority of the directors then in office.
- (3) The president is the chair of all meetings of the directors, but if at a meeting the president is not present within 30 minutes after the time appointed for holding the meeting, the vice president must act as chair, but if neither is present the directors present may choose one of their number to be the chair at that meeting.
- (4) A director may at any time, and the secretary, on the request of a director, must, convene a meeting of the directors.

6.2

6.3 A committee must elect a chair of its meetings, but if no chair is elected, or if at a meeting the chair is not present within 30 minutes after the time appointed for holding the meeting, the directors present who are members of the committee must choose one of their number to be the chair of the meeting.

6.4 The members of a committee may meet and adjourn as they think proper.

6.5 For a first meeting of directors held immediately following the appointment or election of a director or directors at an annual or other general meeting of members, or for a meeting of the directors at which a director is appointed to fill a vacancy in the directors, it is not necessary to give notice of the meeting to the newly elected or appointed director or directors for the meeting to be constituted, if a quorum of the directors is present.

6.6 A director who may be absent temporarily from British Columbia may send or deliver to the address of the Association a waiver of notice, which may be by letter, facsimile or e-mail, of any meeting of the directors and may at any time withdraw the waiver, and until the waiver is withdrawn:

- (a) a notice of meeting of directors is not required to be sent to that director; and

- (b) any and all meetings of the directors of the Association, notice of which has not been given to that director, if a quorum of the directors is present, are valid and effective.

6.7

- (1) Questions arising at a meeting of the directors and committee of directors must be decided by a majority of votes.
- (2) In the case of a tie vote, the chair does not have a second or casting vote.

6.8 A resolution proposed at a meeting of directors or committee of directors need not be seconded, and the chair of a meeting may move or propose a resolution.

6.9 A resolution in writing, signed by all the directors and placed with the minutes of the directors, is as valid and effective as if regularly passed at a meeting of directors.

Part 7 - Duties of Officers

7.1 The directors shall:

- (a) make such Community Rules as the directors consider necessary or desirable from time to time relating to the purposes of the Association; and
- (b) cause the Association to exercise its rights, remedies and discretions, and to perform its obligations under any agreements the Association makes with SFU or any other person.

7.6 In the absence of the secretary from a meeting, the directors must appoint another person to act as secretary at the meeting.

7.7 All acts done in good faith by the directors are, notwithstanding that it be afterwards discovered that there was some defect in the appointment or continuance in office of the directors, as valid as if the directors had been duly appointed or had duly continued in office.

7.8 No director shall be personally liable for any act done in good faith in carrying out his or her duties as a director.

Part 8 - SFU

8.1 The directors may liaise, negotiate, make arrangements, enter into agreements and otherwise deal with SFU with respect to:

- (a) the use and enjoyment by the residents of facilities, amenities and services (the "**SFU Amenities**") offered by SFU from time to time; and
- (b) any other purpose incidental to the fostering of ties between SFU and the Community and the betterment of the quality of life of the residents.

8.2 In the dealings referred to in section 8.1, the directors may act at their complete discretion provided that the arrangements made with SFU are commercially reasonable.

8.3 Identification cards may be issued by SFU from time to time to those persons who are entitled to the SFU Amenities. Users will be required to comply with the rules and regulations enacted by SFU or other appropriate bodies from time to time with respect to the use of the facilities, amenities and services provided by SFU. If any user breaches such rules and regulations, SFU may suspend such person's entitlement to the SFU Amenities.

- 8.4 The Association may notify SFU from time to time of the names and addresses of those members who are not in good standing. In such event, SFU may suspend the privilege of such members to the SFU Amenities.

Part 9 – Community Amenities

- 9.1 In order to further the objectives of the Association set out in subsection 2(d) of the Constitution, the members may determine from time to time to provide:
- (a) landscaping, gardens, trails, walkways and other areas within or adjacent to the Community Lands from time to time for the common use and enjoyment of the residents; and
 - (b) such amenities, facilities, programs, events, services or benefits as the directors may elect to organize, provide or stage from time to time which shall in the opinion of the directors enhance the community;
- (collectively, the “**Community Amenities**”).
- 9.2 In the event that the members resolved to provide any of the Community Amenities, the directors may negotiate, make arrangements, and enter into agreements with any person for the purpose of providing such Community Amenities.
- 9.3 In the dealings referred to in section 9.1, the directors may act at their complete discretion provided that the arrangements made are commercially reasonable.

Part 10 - Dues

- 10.1 The amount of the membership dues must be determined by the directors.
- 10.2 The directors will prepare an annual operating and maintenance budget (the “Budget”) for all costs and expenses incurred by the Association, including if so elected by the members, the costs and expenses in operating or providing the Community Amenities. In determining the membership dues from time to time, the directors shall act reasonably, but with a view to ensure that the payment, if any, to SFU for the SFU Amenities or to any other person for the Community Amenities, as well as other expenses to operate the society are paid in full. On or before November 1st of each calendar year, the directors shall prepare the Budget for the following calendar year and provide the Budget to the members. The Budget must be approved by ordinary resolution at a general meeting. The directors shall ensure that the actual expenses of the Association do not exceed the amount therefor set out in the Budget. The directors shall prepare the first Budget on or before November 1, 2005, with such Budget to be effective from January 1, 2006.
- 10.3 Subject to Part 15, the amount of dues payable by each member will be determined as follows:

Aggregate expenses to operate Association (including all payments to SFU) for the current year	X	The number of residential or commercial units constructed on the lands for which such member is the registered lessee, strata corporation or housing cooperative, as the case may be*
		The number of residential or commercial units constructed on all of the Community Lands

*As shown on strata plan in the case of residential units and as evidenced by issued occupancy permits in the case of commercial units

For example, to determine the proportionate share payable by The Owners, Leasehold Strata Plan BCS1013 on January 1, 2006, assuming that:

- (a) there are 77 strata lots in the Harmony project in accordance with Strata Plan BCS1013;
- (b) based on the strata plans then filed at the Land Title Office (including Harmony), there are 500 strata lots then constructed on all of the Community Lands; and
- (c) based on occupancy permits then issued for the commercial units, there are 10 commercial units then constructed on all of the Community Lands,

the proportionate share payable by The Owners, Leasehold Strata Plan BCS1013 on January 1, 2006 will be 77/510.

- 10.4 Members which are strata corporations or housing cooperatives will be responsible for collecting from the strata lot owners or cooperative members, each person's share of that member's annual membership dues. Members must remit the required annual membership dues to the Association when such dues are due, regardless of whether the member has collected the full amount of such dues from its owners or members.
- 10.5 If a strata plan is filed at the Land Title Office or any occupancy permit is issued for a commercial unit after the Budget has been approved for that calendar year, such strata corporation or owner or tenant of the commercial unit will be obliged to pay its proportionate share of the dues commencing on the date of filing of the strata plan or the issuance of the occupancy permit, as the case may be, with the proportionate share of the strata corporation or owner or tenant to be determined as of such date. The strata corporation or owner or tenant of the commercial unit will remit payment to the Association on or before the date which is 30 days after the date of filing of the strata plan or the issuance of the occupancy permit, as the case may be.

10.6 Not later than March 1st every year, the directors will provide to the members with a statement of the actual revenue and expenses for the previous calendar year, taking into account any change in calculation of the member's proportionate share as a result of the addition of new members and the payments made by such members, together with a statement as to the actual dues payable by each member. If such statement shows that the member owes any amount to the Association, the member will pay such amount to the Association within 30 days of receipt of such statement. If such statement shows that the Association owes any amount to the member, the Association will either pay such amount to the member with such statement or apply such amount as a credit to future dues payable by the member, as determined by the Association.

Part 11 - Seal

11.1 The directors may provide a common seal for the Association and may destroy a seal and substitute a new seal in its place.

11.2 The common seal must be affixed only when authorized by a resolution of the directors and then only in the presence of the persons specified in the resolution, or if no persons are specified, in the presence of the president and secretary or president and secretary-treasurer.

Part 12 - Borrowing

12.1 In order to carry out the purposes of the Association the directors may, on behalf of and in the name of the Association, raise or secure the payment or repayment of money in the manner they decide, and, in particular but without limiting that power, by the issue of debentures.

12.2 A debenture must not be issued without the authorization of a special resolution.

12.3 The members may, by special resolution, restrict the borrowing powers of the directors, but a restriction imposed expires at the next annual general meeting.

Part 12 - Auditor

13.1 This Part applies only if the Association is required or has resolved to have an auditor.

13.2 The first auditor must be appointed by the directors who must also fill all vacancies occurring in the office of auditor.

13.3 At each annual general meeting the Association must appoint an auditor to hold office until the auditor is re-elected or a successor is elected at the next annual general meeting.

13.4 An auditor may be removed by ordinary resolution.

13.5 An auditor must be promptly informed in writing of the auditor's appointment or removal.

13.6 A director or employee of the Association must not be its auditor.

13.7 The auditor may attend general meetings.

Part 14 - Notices to Members

14.1 A notice may be given to a member, either personally or by mail to the member at the member's registered address.

14.2 A notice sent by mail is deemed to have been given on the third day following the day on which the notice is posted, and in proving that notice has been given, it is sufficient to prove the notice was properly addressed and put in a Canadian post office receptacle.

14.3

(1) Notice of a general meeting must be given to:

(a) every member shown on the register of members on the day notice is given; and

(b) the auditor, if Part 13 applies.

(2) No other person is entitled to receive a notice of a general meeting.

Part 15 - Violation of Bylaws

15.1 Any infraction of violation of these bylaws or of any Community Rule by any member may be corrected, remedied or cured by the Association, and any costs or expenses expended or incurred by the Association in correcting, remedying or curing such infraction or violation shall be charged to that member and shall be added to, and become a part of, the next membership dues of such member.

15.2 In addition to any remedies available at law or in equity, the Association may recover from a member by an action for debt in any court of competent jurisdiction any sum of money which the Association is required to expend as a result of any act or omission by the member or any infraction or violation of these bylaws or any Community Rule.

Part 16 - Bylaws

16.1 These bylaws must not be altered or added to except by special resolution.

16.2 Each member is entitled to a copy of the constitution and bylaws of the Association, without charge.
